Make tree of complicated problem? by AnneB 2019
Will it help me?
Probably yes?
Is problem too complicated?
That's why I'm doing this tree first
If too hard I can stop
If too hard I can break it into smaller trees
Will anyone read it?
Doesn't matter if it helps me to make it
Elliot might so he can see tree problems for his article
MindNode
Do I want to pay for it?
yes
Can I figure it out?
yes
