TheRat: I am asking a question VerbalSiegeEngine: @TheRat This VSE discussion from FI TheRat: Do you have an infallible is the second time you have Please answer it Discord source of knowledge that you think you can use? @VerbalSiegeEngine assumed my position. Have I endorsed infallibalism? This seems Don't answer it with another like a burden shift to me. by Elliot Temple, Dec 2019 question

curi: wait guys hold on

rat didn't assume your position VSE

you aren't reading correctly VerbalSiegeEngine: @TheRat I will answer after you motivate an argument for fallibilism. It seems unfair that you can dodge my questions and yet demand me to defend a position you assume I hold.

this kind of miscommunication is important. you'll just talk past each

without dealing with it

VSE can you provide a quote of which words you think rat said which assumed your position?

and explain how they do that?

let's get this issue resolved

if we can't resolve something as small and easy as this one, we'll never resolve something more complicated like fallibilism

VerbalSiegeEngine: @TheRat I will answer after you motivate an argument for fallibilism. It seems unfair that you can dodge my questions and yet demand me to defend a position you assume I

VerbalSiegeEngine: @curi Asking me about infallibalism is not related to an argument for fallibilism unless he plans on presenting a disjunction which exhausts the territory.

curi: VSE i don't think that's

responsive. do you?

sequitur to what i said. VerbalSiegeEngine: @curi I don't know what you mean by

"responsive".

curi: you are not engaging with what i said. what you said is a non VerbalSiegeEngine: @curi It's not

clear to me what your question is.

Maybe you can restate it?

was it meant to answer me?

or were you intentionally not answering me and changing the curi: [I wrote:]

"was it meant to answer me?

or were you intentionally not answering me and changing the

did you find those questions unclear?

VerbalSiegeEngine: @curi I am still unclear where you came into the

conversation we were having and

I made this tree to clarify. what those questions pertaining to.
